AN APPEAL TO HELP FOR A NOBLE VENTURE, HMAI BHAWAN

Respected Sir/ Madam,

It is our great pleasure and pride to inform you that with the great help & Co-operation of the members of The Homoeopathic Medical Association of India (HMAI), the largest Homoeopathic Organisation of the world, Trust of the HMAI, Homoeopathic Educational Institutions, Pharmacies, Manufacturers of Homoeopathic Medicines and Pharmaceutical Works the West Bengal State Branch, HMAI achieved a great success to have the permanent address of the HMAI in India for the first time since the perception of this organisation, 1975. The HMAI BHAWAN in Kolkata, West Bengal is the reality of the long cherished dream of the Homoeopaths. This Bhawan is the pride and prestige of the members of

The Homoeopathic Medical Association of India as well as all the Homoeopaths of India. When and how the dream came to reality with the construction of the HMAI BHAWAN, we on behalf of the Trust of West Bengal State Branch of The Homoeopathic Medical Association of India are going to furnish a brief history for drawing your kind attention sparing your valuable time.

The West Bengal State Branch of The Homoeopathic Medical Association of India had been thinking for long 40 years since the formation of the HMAI in 1975 to set up a Bhawan of the HMAI in Kolkata, West Bengal but could not dare to proceed practically with the idea which became condensed and earnest among the members of the then office bearers of the West Bengal State Branch, who formed the "Trust of West Bengal State Branch of The Homoeopathic Medical Association of India" in April 2013 with the Chairman Dr. Shyamal Kr. Mukherjee, the then Secretary General, HMAI, Hony. Secretary Dr. H. D. Jaiswal, the then General Secretary of the West Bengal State Branch, HMAI and the Finance Secretary Dr. Susanta Saha since then the Trust members were in search of a piece of land with an idea to collect required fund mainly from donations side by side.

However, after intensive searching a piece of land was found out at **RA-384, Nabapally, Sector-IV, Chingrihata, near Shishu Ratan School, Salt Lake, Kolkata-700105** to promote and negotiation went on with the land owner who claimed some amount and the entire floor on the 2nd floor and shifting and renting till the completion of the building and the agreement was made.

LAYING STONE CEREMONY

The existing four storied plan was made and initiation of the Construction started with the Laying of the Foundation by **Dr. V. C. Acharya**, the then immediate Past President of the HMAI & Hony. Secretary of the Trust of The Homoeopathic Medical Association of India on 25th January, 2015 with the target to inaugurate the Bhawan on Akshaya Tritiya in the month of April, 2016. As due to some unavoidable circumstances the construction work was delayed for about four months to finish and at last that the good and the happiest day came to inaugurate The Homoeopathic Medical Association of India Bhawan in short "HMAI BHAWAN" On 25th September, 2016 by **Dr.(Smt.)
